

# The Velocity Method

## Human Design Gates

What are gates?

- Gates are layers of your gifts.
- They are found on the body graph.
- They are the halfway lines starting from an energy center.
- The energy center can be defined or undefined.

## Why are Gates so important?

- Gates shine a spotlight on characteristics, gifts, and talents.
- Gates are gifts that you can use in marketing.
- Gates give the brain a different story to adapt. This new story gives proof as to why you are a phenomenon.
